Committee Overview:

The Golf Committee plans and carries out the annual CREW Denver golf tournament.

Committee Member Duties:

There are a diverse range of tasks, including sponsor liaison, food and beverage liaison, marketing/advertising liaison, prize patrol liaison, as well as other fun duties. If you are not a golfer - don't worry - you can still golf in this tournament, but if you choose not too, there is still a need for volunteers to help with tasks during the tournament on behalf of the committee.

Estimated Time Commitment:

The Golf Committee meetings are monthly, more often as the tournament date approaches.

Golf Tournament Date:

Monday, June 27, 2011.

Benefits of Serving on Committee:

The Golf Committee has an enormous amount of fun. A fantastic committee composed of 12+ members with opportunities for networking with other CREW Denver members and golfers throughout the planning process as well as on the day of the tournament.

Meeting Time/Location:

TBD – Contact the Co-Chairs for details.
